Super Lawyers is a rating service of outstanding lawyers from more than 70 practice areas who have attained a high degree of peer recognition and professional achievement. Super Lawyers select attorneys using a patented multiphase selection process. Peer nominations and evaluations are combined with independent research to select the top 5% of attorneys on an annual, state-by-state basis. Candidates are evaluated on 12 indicators of peer recognition and professional achievement. The objective is to create a credible, comprehensive, and diverse listing of top attorneys that can be used as a resource for attorneys and by consumers searching for legal counsel.
