

DENISE J. CHAFFEE

Paralegal

P 559.432.4500

E dchaffee@fennemorelaw.com

Fresno, California

Denise Chaffee is a proactive, efficient, and highly organized paralegal with our firm and is a Certified eDiscovery Specialist from the Association of Certified eDiscovery Specialists. She attended California State University in Fresno (CSUF), graduating *summa cum laude*, as well as the San Joaquin College of Law Paralegal Program where she was valedictorian.

After working in the restaurant business for 27 years, Denise felt the need for a change. Her husband was going to law school and she saw a television commercial for the school's paralegal program. She started the application process the next day. To this day, Denise enjoys assisting our clients to achieve the best possible outcome for their case.

As a University of California Certified Master Gardener, nothing decompresses Denise like putting in her garden. She also designs and creates bead and wire work earrings, and is a voracious reader.
