

DAN CLEVELAND, JR.

Of Counsel

P 303.764.3791

E dcleveland@fennemorelaw.com

Denver, Colorado

Dan focuses his practice in intellectual property, including all aspects of patents, trademarks, copyrights, and trade secrets, as well as related contracts and litigation.

He has wide-ranging experience in the following areas: semiconductors (IC devices and memories, including new semiconductor materials, processes, equipment and process chemicals); optics (including holography, spectrophotometry, ellipsometry, particle counters and laser printers); biotech (including attenuated viruses, DNA, immunological bioassays, nutritional supplements, anticancer drugs, topical medicines, biofeedback devices, medical devices, and proteins); filtration and purification systems; telecommunications (including e-commerce business methods, Internet systems and optical switches); flow metering equipment and processes; mechanical devices; trademarks (including all aspects of prosecution, opposition, policing and enforcement); patent opinion work (including numerous infringement, noninfringement and invalidity opinions); and licensing.

Prior to practicing law, Dan served as senior engineer for Tenneco Oil Company in Houston, Texas.
