

JANET JACKIM

Janet Jackim is a well-seasoned business attorney whose practice focuses on cannabis transactions, litigation, commercial real estate, mergers and acquisitions, and litigation involving the foregoing. She's been licensed to practice law in Arizona and Colorado for over 45 years.

With more than 10 years of experience in the cannabis industry, Janet has represented multistate operators, dispensaries, producers, cultivators, investors, lenders, landlords, tenants, and vendors. She uses her aptitude for solving complex technical, operational, and financial issues to advise clients regarding cannabis dispensary certificate applications, buyout transactions, business restructuring, partner dispute resolution, and more.

Janet is an active member of her community. She is on the Board of Directors of the Arizona Cannabis Chamber of Commerce, the Legal Committee of the National Organization for the Reform of Marijuana Laws (NORML), and the Secretary of the Arizona Cannabis Bar Association. She has served numerous other industry and civic organizations including Marijuana Industry Trade Association, Commercial Real Estate Women, CORE, and NAIOP.

EDUCATION

- J.D., Loyola University Chicago School of Law, *cum laude*
- B.A., Indiana University, with honors

AREAS OF PRACTICE

- Business & Finance
- Cannabis Business
- Land Use
- Real Estate
- Mergers & Acquisitions
- Agribusiness

REPRESENTATIVE CASES

Represented an acquirer and its affiliates in a series of transactions for the takeover of a medical cannabis dispensary and its cultivation facility, kitchen, and management team, obtaining the dispensary's emergence from a receivership, prosecuting claims, favorably settling litigation, restructuring its debt, and negotiating new contracts.

Represented various out-of-state companies in their Arizona dispensary and cultivation facility acquisitions, including as to acquisition mechanics, cannabis regulatory issues, Department of Health Services transitions, and strategic planning.

Represented a medical cannabis dispensary in negotiating and documenting a complex commercial real estate lease for a medical marijuana dispensary site interrelated with a comprehensive cultivation subcontractor management agreement for the dispensary's cultivation facility, resulting in the landlord's substantial investment in the real estate for the benefit of the tenant-dispensary.

Represented a large real estate portfolio owner in its aggressive pre- and post-bankruptcy growth and turnaround. Built a strategic business plan for the company's 25 geographic markets, requiring site-by-site analysis (financial, real estate/location demographics, and capex requirements). Led nationwide 50-person real estate sales staff and a back-office administrative group of 100-200 employees for the purpose of selling 2,500 REOs, resulting in \$100 million cash. Assessed the company's 6,000 real estate holdings (convenience stores, gas operations, office buildings, warehouses, vacant land and buildings, and speculative land deals) for profitability. Closed and sold 2,500 underperforming properties. Renegotiated 1,500 commercial leases to produce \$15 million in annual rent savings.

Represented various Arizona cannabis companies in relation to initial public offerings, private offerings, mergers, and strategic business alliances.

Represented various cannabis companies in preparing and negotiating complex commercial leases, loans, partnership agreements, and vendor contracts for businesses in the cannabis market.

Represented a hemp/CBD products distributor as to federal and state regulatory compliance, with special attention to U.S. Food and Drug Administration oversight issues.

Represented lending institutions, FDIC affiliates, and commercial borrowers in negotiating commercial stabilization loans, loan workouts, and bankruptcy resolutions. Conducted trustee's sales, initiated litigation enforcing commercial loan transactions, defended litigation for receivership appointments and loan defaults, and prepared forbearance and other settlements.

Represented a property owner in lease negotiations with a cannabis operator tenant for a dispensary and cultivation site, obtaining three times the offered rent for her client as a result of her knowledge of market rents in the cannabis industry.

Member of a team of zoning professionals that challenged local governments resisting dispensary locations in their cities, created new locations through rezoning and variance applications and appealed misinterpretations of zoning laws applicable to dispensaries.

Through administrative and litigation proceedings, prosecuted municipal zoning actions that wrongfully discriminated against cannabis businesses.
