SUE HAMILTON

Sue Hamilton is a paralegal supporting Fennemore's Trusts & Estates practice group. Her thoughtful, compassionate approach and encyclopedic knowledge make her a valued member of Fennemore's Trusts & Estates team.

With nearly 45 years of experience, Sue Hamilton brings unparalleled depth and dedication to her work in probate, estate planning, and trust administration. She began her paralegal career in 1978 at Meyer & Felsen Law Corporation (formerly Goldman & Kagon Law Corporation) in Los Angeles, where she remained a cornerstone of the firm for nearly four decades. In 2015, Sue relocated to the scenic Truckee/Tahoe area and briefly explored civil litigation before returning to her true professional passion: helping families navigate the complexities of estate and trust matters.

Outside the office, Sue enjoys the great outdoors by hiking, biking, and gardening, as well as immersing herself in live music of all genres as an avid concertgoer.
