MARYJO E. SMART PINOCCHIO

MaryJo Smart Pinocchio is an associate in our Business Litigation and Intellectual Property practice groups. Her practice focuses on complex commercial litigation, intellectual property disputes, and general business advising. She has in depth litigation experience ranging from pre-litigation and the inception of a case through trial.

A fifth-generation Nevadan and the youngest of four siblings, albeit the most protective, MaryJo has always found herself advocating for others. Her tenacity and dedication to fight for what she believes in translates well to the dynamic practice of civil litigation, and MaryJo brings this strong-willed mentality to each of her cases. In her practice, she prioritizes getting to know her clients and understanding how their businesses operate on a granular level in order to appreciate their ultimate goals and needs and effectively litigate on their behalf.

Outside of the office, MaryJo enjoys yoga and pilates, exploring the Sierra Nevada mountains, and spending time with her husband, French bulldog, and ten nieces and nephews.
