BELAN K. WAGNER

Belan Kirk Wagner is a taxation and transactional attorney, bringing counsel that navigates the intricacies of both realms with proficiency. With over 40 years of experience in business, taxation, real estate, estate planning, and controversy work, Belan has crafted a unique practice that offers a client-centric approach. This approach ensures each legal solution is as distinctive and personalized as the clients themselves, ranging from business owners and executives to individuals navigating today's multifaceted legal system.

Belan also provides general counsel services to privately held and family-run businesses, offering seasoned guidance informed by more than four decades of tax and transactional experience. Clients rely on him for strategic advice on governance, contract negotiation, operational issues, restructuring, and long-term planning. His practice is grounded in a deep understanding of how tax, business, and financial considerations intersect, enabling him to craft practical, forward-looking solutions that safeguard assets and support growth. Belan serves not only as legal counsel, but as a trusted, steady advisor who helps business owners navigate complexity with confidence.

Belan's practice goes beyond compliance; he creates a legal framework to safeguard his clients' assets. He provides direct representation to clients while also serving as a resource to clients' primary attorneys, accountants, financial advisers, and other representatives. His knowledge is an advantage, offering proactive tax planning and transactional advice that is integrated to protect and maximize financial interests. Belan is a strategic attorney dedicated to your success.
