MARIA L. ZARAGOZA

Maria L. Zaragoza is a Paralegal in Fennemore's estate planning practice group in our Oakland office.

Maria has 10 years of experience in Class Action Law, where she gained extensive litigation experience. She worked in records for a San Francisco Class Action law firm and eventually was trained to become a Paralegal. While working for the firm as a Paralegal, Maria decided to make it official and obtained her Paralegal Certificate. Her time in this area of law set the foundation for her legal career.

Maria also has experience in Personal Injury Law. She was also a DA Investigative Assistant/Paralegal for the San Francisco District Attorney's Office. Both of these areas of law added to her litigation skillset and trial experience. Prior to joining Fennemore, she worked at an Estate Planning law firm in Burlingame, where she focused on Trust Administrations. Prior to that, she worked for an Estate Planning law firm in San Francisco, where she assisted attorneys with Estate Planning and was the Foundation Administrator for the firm.

Outside the office, Maria can be found spending time with her son, mom, and dog, as well as attending comedy shows and live music events.
