NANNETTE ACEVEDO

Nannette Acevedo is a paralegal in our Fresno office with 20 years of experience in areas of practice including business litigation, bankruptcy, judgment enforcement/collections, and unlawful detainer, with an emphasis on creditor's remedies, specifically financial institutions (creditor remedies), and unlawful detainer. She has also worked on plaintiff personal injury and criminal defense matters.

From about the time she was nine years old up through her mid-twenties, she had always wanted to become a lawyer, but right before she could even attend law school, life happened … she was blessed with her son, and a daughter following thereafter. Needless to say, law school didn't happen, but ultimately her life was directed down a much different path, which she experiences today, and is very thankful for. Nannette always enjoys a challenge, especially if it's something she hasn't the opportunity to try before.

Nannette likes to recharge by going directly to the source: her faith, family and friends.
