WILLIAM C. "DAVE" DAVIS JR.

Dave concentrates his practice in the area of commercial real estate, representing clients in all aspects, and renewable energy development and permitting. Representative clients include the Juliet Companies, LLC, Terra-Gen Power, LLC and Invenergy. Dave served for many years as general outside real estate counsel for a publicly traded real estate investment trust in five Western states.

He enjoys finding practical and effective solutions to clients' problems. When not working, Dave enjoys fishing and hiking in the Sierra.
